CURRENT SPECIALISTS

General Surgery

Clients require a referral from a GP or Medical Specialist to access this service.

Dr Sarah Birks
General Surgeon, Breast and Endocrine surgery
Consults Wednesdays monthly – Wonthaggi

Specialising in breast surgery, Dr Birks graduated from Monash University with Honours and completed her General Surgical training in Melbourne. Having completed a Master of Surgery, Dr Birks has an ongoing interest in education and research. She provides the most up-to-date and evidence-based care, including a commitment to the multi-disciplinary management of breast disorders.

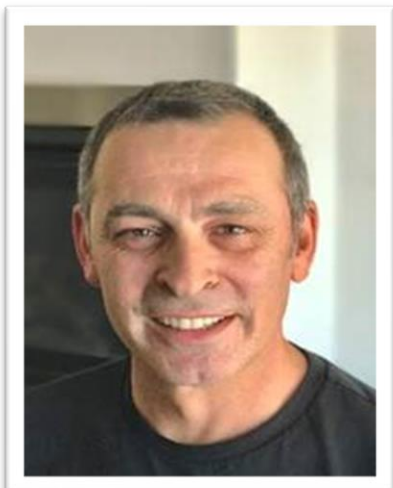

Her specialty areas are:

- Breast cancer: multidisciplinary care, oncoplastic breast surgery and risk reducing surgery (skin sparing and nipple sparing mastectomy)
- benign breast disease
- thyroid surgery for benign and malignant disease
- parathyroid surgery, including minimally invasive surgery

A referral from a medical practitioner is required.

or Fax 9102 5307; Access Intake Phone 5671 3175

Radiation Oncology

Clients require a referral from a GP or Medical Specialist to access this service.

Associate Professor Hany Elsaleh
Radiation Oncologist
Consults 1st Monday of the month - Wonthaggi

Associate Professor Hany Elsaleh is Director of Radiation Oncology at the Alfred.

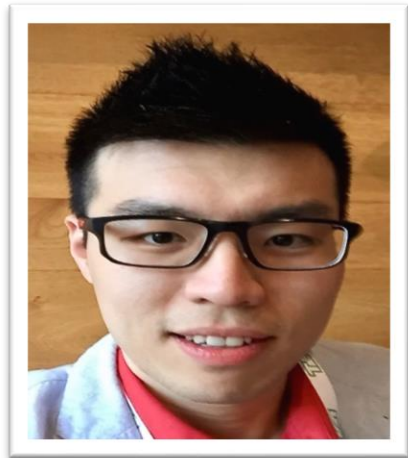

He joined the Alfred team principally because of their drive to form regional partnerships with service providers in South Eastern Victoria and sees this as an opportunity to contribute to the Victorian Cancer Services Plan of improving access of health services in regional Victoria. Not scared to think outside the box when it comes to service provision, Hany looks forward in developing and growing the cancer partnership with Bass Coast Health Services.

A referral from a medical practitioner is required. Please send referral to Access@basscoasthealth.org.au or Fax 9102 5307; Access Intake Phone 5671 3175

CURRENT SPECIALISTS

Geriatrics

Clients require a referral from a GP or Medical Specialist to access this service.

Dr Jun Yew (Alvin) Tay

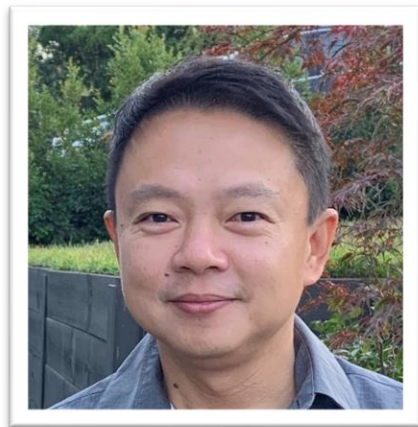

Consultant Geriatrician

Consults fortnightly – Wonthaggi & Cowes

Alvin is a Consultant Geriatrician with particular interest in the areas of:

- Dementia
- Polypharmacy
- Falls
- Management of Behavioural and Psychological Symptoms of Dementia (BPSD) in residential care facilities

Alvin completed his Geriatric Medicine training in 2018 and works fractionally with Monash Health and Peninsula Health.

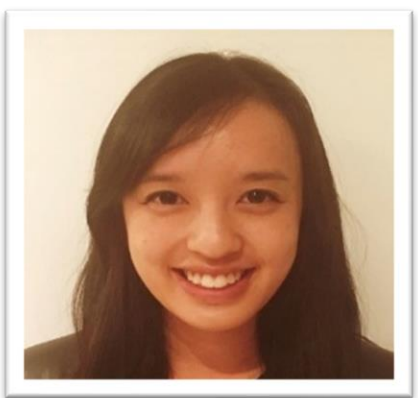

Dr Brenton Tay

Consultant Geriatrician

Consults 1st Thursday monthly – Cowes

Dr Brenton Tay has been a Geriatrician since 2007, providing comprehensive assessment and management of complex issues affecting older patients.

He obtained fellowship of Royal Australasian College of Physicians in 2006, specialising in Geriatric Medicine. He works as a consultant Geriatrician at Alfred Health since 2007.

Dr Phi Vu

Consultant Geriatrician

Consults 3rd Thursday monthly – Cowes

Dr Phi Vu works as a consultant Geriatrician at the Alfred Health. She takes a holistic approach to caring for older people, looking at each health issue and disease and how they interact with each other, to ensure the best care and treatment for patients.

A referral from a medical practitioner is required.
Please send referral to Access@basscoasthealth.org.au
or Fax 9102 5307; Access Intake Phone 5671 3175

CURRENT SPECIALISTS

Haematology

Clients require a referral from a GP or Medical Specialist to access this service.

Dr George Grigoriadis

Clinical and Laboratory Haematologist
Consults Thursdays weekly – Wonthaggi & Cowes

George is a Haematologist, specialising in the treatment of blood disorders with special interest in:

- Malignant haematology including lymphoma
- Myeloma
- Leukaemia
- Myelodysplasia and Myeloproliferative neoplasms.

George is both the Deputy Director and Myeloma Lead at Monash Haematology and the Senior Lecturer at the School of Clinical Sciences at Monash Health, Monash University.

Dr Abbey Willcox

Haematologist
Consults Thursdays weekly – Wonthaggi & Cowes

Dr Abbey Willcox a Haematologist with a keen interest in both clinical and translational research activities with particular interests in thrombosis, bleeding and platelet disorders and obstetric haematology.

Dr Willcox graduated from Monash University and completed her physicians training in clinical and laboratory haematology at The Austin and The Alfred Hospitals. She is currently enrolled in a PhD through Monash University looking at a rare complication of stem cell transplantation.

A referral from a medical practitioner is required.

CURRENT SPECIALISTS

Gynaecology

Clients require a referral from a GP or Medical Specialist to access this service.

Dr Jodi Keane

Gynaecologist & Obstetrician

Consults on Wednesdays monthly – Wonthaggi & Cowes

Dr Jo Keane is an Obstetrician and Gynaecologist who specialises in all aspects of gynaecological health.

Dr Keane obstetric training includes extensive tertiary and higher risk obstetrics managing twins, diabetic pregnancies, maternal medical disorders and fetal growth restriction. She is keen to collaborate with local GPs in the antenatal care of more complicated obstetric patients to minimise travel and fragmentation of care and planned intrapartum events on consulting/operating days.

Dr Carolyn Wilde

Gynaecologist & Obstetrician

Consults on Tuesdays monthly – Wonthaggi

Dr Carolyn Wilde is an Obstetrician and Gynaecologist who specialises in all aspects of gynaecological health. She has extensive experience and works in the Gippsland region for many years.

She is keen to collaborate with GPs and HMOs to ensure local access of public gynaecology services.

A referral from a medical practitioner is required.
Please send referral to Access@basscoasthealth.org.au
or Fax 9102 5307; Access Intake Phone 5671 3175

CURRENT SPECIALISTS

Oncology

Clients require a referral from a GP or Medical Specialist to access this service.

Dr Mark Shackleton

Oncologist

Consults Mondays weekly – Wonthaggi & Cowes

Prof Mark Shackleton is the Director of Oncology at Alfred Health, a Professor of Oncology at Monash University, a Victorian Cancer Agency Clinical Research Fellow and Chair of Melanoma and Skin Cancer Trials Inc. After training in medical oncology and at the Ludwig Institute in Melbourne, he undertook PhD studies at the Walter and Eliza Hall Institute of Medical Research and post-doctoral work at the University of Michigan, USA.

He has received several major prizes for his research: the 2006 Victorian Premier's Award for Medical Research, a 2010 NHMRC Achievement Award, a 2011 Pfizer Australia Fellowship, and a 2016 Victorian Cancer Agency Clinical Research Fellowship. In 2012, he was awarded the Australian Science Minister's Prize for Life Scientist of the Year.

Dr Andrew Haydon

Oncologist

Consults Mondays weekly – Wonthaggi & Cowes

Assoc Prof Andrew Haydon is a consultant and the director of clinical research in the Dept of Medical Oncology at the Alfred Hospital, Melbourne. He graduated from Monash university medical school with honours in 1993. In 2000 became a fellow of the RACP as a medical oncologist and then undertook a PhD examining the influence of physical activity and adiposity on the outcome of patients with colorectal cancer. In 2004 was appointed to his current position.

He has had a particular interest in clinical research, having been the principal investigator of over 40 trials in advanced cancer at the Alfred Hospital. His research has focussed mainly on Melanoma and gastro-intestinal cancers and has led to him being an author of over 60 peer reviewed publications including many practice changing publications in major journals such as New England Journal of Medicine, Lancet and the Journal of Clinical Oncology.

A referral from a medical practitioner is required.
